
ADSI ML Report

NBA Career Prediction

James Murray - 13879046

Feb 2022

The following report is broken into several sections highlighting the experiments undertaken as part of the modelling process. The following GITHUB repository has the source code - https://github.com/James-8212913/group1_nba_career_prediction. The source code contains the complete code for the project.

Version 0.1.0

Contents

Experiment Background	3
Business Objectives	3
Hypothesis	3
Experiment Objectives	3
Experiment Details	3
Data Preparation	3
Feature Engineering	3
Modelling	3
Experiment Results	3
Technical Performance	3
Business Impact	3
Encountered Issues	3
Future Experiment	3
Key Learning	3
Recommendations	3
